

## 目次

### ◇ 香料与饮料作物

- 基于分子蒸馏技术的咖啡精制物制备及卷烟加香应用研究 ..... 付先波,郑琳,李学杉,黄志强,胡芳舒,吕果,赵丽,吴长伟[1]  
国内现磨咖啡行业发展策略分析 ..... 何欢,何丽娟[10]  
云南咖啡全产业链发展现状及建议 ..... 王琳,程金焕,李维锐,聂雪峰,何红艳[16]

### ◇ 热带亚热带果蔬

- 授粉品种对东试早柚果实品质的影响 ..... 徐祥增,张小娇,张彩虹,邓琴霖,高世德[23]  
10份火龙果种质资源的感官指标评价 ..... 陈彭坤,岩轰叫,刘成琴,易小艳,赵志平,刘代兴[30]  
不同来源百香果扦插苗在高海拔环境适应性的综合评价 ..... 杜家会,李振斌,姚天月,崔玉发[36]  
云南高海拔苹果园橘小实蝇的药剂筛选及安全性评价 ..... 顾凡,太一梅,张慧,杨继琼,范建,老飞凤,曾梅琳[43]  
海南12个果桑品种桑叶营养成分分析 ..... 高成链,郭银楠,闫庆祥,刘运锋,王茂媛,元超[49]  
云南省水果产业地理标志保护现状与对策 ..... 赵家进,李永平,周雪芳,杨莹彪,杨衡,邢利涛,钱琳刚[56]

### ◇ 药用与特种经济植物

- 外源激素对台湾栾树种子萌发与幼苗生长的影响 ..... 苏斌贤,傅妮莎,周冠宇,高大地,冉裕琪,刘琦,艾叶,叶露莹[62]  
不同林型下金毛狗蕨生长区的土壤养分特征 ..... 李思敏,丁华平,黎小清,许木果,刘忠妹,肖怡,李惠波[69]  
赤斑白条天牛对4种辣木寄主的选择及生长发育 ..... 龙继明,焦阳,朱家颖,张祖兵[78]

### ◇ 天然橡胶

- 小区株数对橡胶树无性系茎围生长的差异性分析 ..... 张凤良,吴裕,李小琴,杨湑,周艳[85]  
遮阴对橡胶树砧木叶片形态和光合参数的影响 ..... 周艳,张凤良,李小琴,杨湑,吴裕[92]  
套种香蕉对橡胶树新品种云研272苗期生长及光合生理的影响 ..... 杨湑,亚华金,吴裕,李小琴,周艳,张凤良[99]  
便携式电动胶刀割胶效果评价 ..... 张强皓,亚华金,高小俊,杨耀文,刘忠亮,李明谦[105]

### ◇ 专题论述

- 热区农业期刊基于全链条数据的产业服务路径构建 ..... 杨安锦,林有兴[111]  
热区行业科技期刊服务农业高质量发展的作用与策略分析 ..... 林有兴[117]

# Tropical Agricultural Science & Technology

Vol.49 No.3 July 2026

## MAIN CONTENTS

|                                                                                                                                                |                                                                                                |
|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|
| Preparation of Refined Coffee Based on Molecular Distillation Technology and Its Application in Cigarettes Flavoring .....                     | FU Xianbo, ZHENG Lin, LI Xueshan, HUANG Zhiqiang, HU Fangshu, LYU Guo, ZHAO Li, WU Changwei(1) |
| Analysis of the Development Strategies for the Domestic Freshly Ground Coffee Industry .....                                                   | HE Huan, HE Lijuan(10)                                                                         |
| The Current Development Status and Suggestions for Yunnan's Coffee Entire Industrial Chain .....                                               | WANG Lin, CHENG Jinhuan, LI Weirui, NIE Xuefeng, HE Hongyan(16)                                |
| Effects of Different Pollination Cultivars on Fruit Quality of Dongshizao Pomelo .....                                                         | XU Xiangzeng, ZHANG Xiaojiao, ZHANG Caihong, DENG Qinlin, GAO Shide(23)                        |
| Sensory Index Evaluation of 10 Pitaya Germplasm Resources .....                                                                                | CHEN Pengkun, YAN Hongjiao, LIU Chengqin, YI Xiaoyan, ZHAO Zhiping, LIU Daixing(30)            |
| Comparative Study on Environmental Adaptability of Different Passion Fruit Seedlings in High-Altitude Regions ...                              | DU Jiahui, LI Zhenbin, YAO Tianyue, CUI Yufa(36)                                               |
| Screening and Safety Evaluation of Insecticides against <i>Bactrocera dorsalis</i> in High-Altitude Apple Orchards of Yunnan Province .....    | GU Fan, TAI Yimei, ZHANG Hui, YANG Jiqiong, FAN Jian, LAO Feifeng, ZENG Meilin(43)             |
| Analysis of Nutrient Composition in Leaves of 12 Mulberry Varieties in Hainan .....                                                            | GAO Chenglian, GUO Yinnan, YAN Qingxiang, LIU Yunfeng, WANG Maoyuan, YUAN Chao(49)             |
| Current Situation and Countermeasures of Fruit Geographical Indication Protection in Yunnan Province .....                                     | ZHAO Jiajin, LI Yongping, ZHOU Xuefang, YANG Yingbiao, YANG Heng, XING Litao, QIAN Lingang(56) |
| Effects of Exogenous Hormones on Seed Germination and Seedling Growth of <i>Koelreuteria elegans</i> .....                                     | SU Binxian, FU Nisha, ZHOU Guanyu, GAO Dadi, RAN Yuqi, LIU Qi, AI Ye, YE Luying (62)           |
| Characteristics of Soil Nutrients in <i>Cibotium barometz</i> Growing Areas under Different Forest Types .....                                 | LI Simin, DING Huaping, LI Xiaoqing, XU Muguo, LIU Zhongmei, XIAO Yi, LI Huibo(69)             |
| Host Selection of <i>Batocera rufomaculata</i> to Four <i>Moringa</i> Host Plants and Its Growth .....                                         | LONG Jiming, JIAO Yang, ZHU Jiaying, ZHANG Zubing(78)                                          |
| Analysis of Stem Circumference Growth Differences among <i>Hevea brasiliensis</i> Clones with Different Plot Sizes .....                       | ZHANG Fengliang, WU Yu, LI Xiaoqin, YANG Tian, ZHOU Yan(85)                                    |
| Effect of Shading on Leaf Morphology and Photosynthetic Parameters <i>Hevea brasiliensis</i> Varieties Rootstocks .....                        | ZHOU Yan, ZHANG Fengliang, LI Xiaoqin, YANG Tian, WU Yu(92)                                    |
| Effects of Interplanting Banana on Seedling Growth and Photosynthetic Physiology of New Rubber Tree Variety Yunyan 272 .....                   | YANG Tian, YA Huajin, WU Yu, LI Xiaoqin, ZHOU Yan, ZHANG Fengliang(99)                         |
| Evaluation of Portable Electric Tapping Knives in Rubber Tree Harvesting .....                                                                 | ZHANG Qianghao, YA Huajin, GAO Xiaojun, YANG Yaowen, LIU Zhongliang, LI Mingqian(105)          |
| Full-Chain Data-Driven Industrial Service Path Construction of Tropical Agricultural Journals .....                                            | YANG Anjin, LIN Youxing(111)                                                                   |
| Analysis of the Role and Strategy of Industrial Scientific Journals in Serving High-Quality Agricultural Development in Tropical Regions ..... | LIN Youxing(117)                                                                               |
